

SANCTIONED ASRG INC. EVENT TYPE FORMATS

Sanctioned club events are provided with full backing, technical provisions and promotional support. Sanctioned events also feature structured event guidelines and allow competitors to familiarise themselves with what to expect operationally on raceday, and support event and race directors with rules and formats for events.

ROOKIE RACING

Once you've had a bit of practice online we invite you to take a run in our Rookie Series events. These events are designed to assist the newer driver into online racing with organised events a step above 'pickup' races. These Rookie Racing events are open to non-members regardless of skill level and are a great place to learn more about your favourite online racing titles. Club members also compete in these events to help new drivers get up to speed.

LITES SERIES EVENTS

Once you've had a bit of experience with our Rookie Series events, we encourage you to step up to Lites Series event racing. These events are designed to assist the driver who has a moderate level of online racing experience into competing in organised points scoring based events a step above regular Rookie Racing. These Lites Series Racing events are open to non-members regardless of skill level, generally require you to register with the particular event director (So you can receive updates and event information) and are a great place to dive into structured competition style events. Club members also compete in these events to help new drivers get up to speed.

PRO LEAGUES

Designed to be the next step up the ladder of competition here at the ASRG are the 'Pro Events'. These are run in a way that takes what you've learned from rookie racing and practice time up a notch to facilitate fully organised, structured online racing competition. Here you are expected to see harder, faster racing than you've seen before, giving you the opportunity of rubbing doors with some of the quickest guys around over longer distances.

TITLE EVENTS

Top of the competition ladder here at the ASRG are the 'Title Events'. Set as major Australian competition national events, these are definitely racing events for those looking for the fastest competition around against the fastest online racing drivers this country and its surrounds have to offer. These events are closed to ASRG members only. Prizeware is offered by the club and the appropriate League Director to participants who perform well or simply just compete in these Title Events. Winning one of these events isn't easy, its definitely a rush when you get your name up there against the best in the sport.

SPECIAL EVENTS

This section is reserved for events classified as 'Special Events'. Typically Special events are annual one day events, perhaps celebrating an occasion, or commemorating a racing event.

These events are open to non members and ASRG Inc. members as per the particular event information. Prizeware is sometimes offered by the appropriate Event Director to participants who perform well or simply just compete in these Title Events.
