

AUSTRALIAN SIM RACING GROUP INC.

MISSION STATEMENT

We aim to foster, promote and encourage through participation the sport of online sim racing in all its forms.

We aim to provide our members, the community and the public with an unparalleled provision of premier online sim racing services, activities and support.

We aim to provide structure and support to the operations of our services to our participants in a professional manner through effective leadership.

'As Real as it Gets' – To provide, encourage, support and immerse participants in a competitive and cooperative experience in a simulated motor sports environment across diverse mediums and platforms.
